

## BOY SCOUTS OF AMERICA

### TROOP 22

Scoutmaster: Bill Durr

Sponsored by EH Rotary

To: Scout Seeking Advancement

**First** a Scout must have completed all requirements for his rank. All requirements can be signed by any scout who is Star rank and above, an Assistant Scout Master or a Committee member.

**Second** the scout must have completed his Scoutmaster Conference and have both his book and BOR sheet signed.

**Third** after the successful scoutmaster conference the scout can have a Board of Review (BOR). It is the responsibility of the scout seeking advancement in rank to **Tenderfoot, Second Class, or First Class** to organize and schedule his own Board of Review. The scout seeking advancement must commit at least **3 Troop 22 Committee Members** to attend his Board of Review.

Upon satisfactory completion of the Board of Review it shall be the responsibility of the scout to notify and get his signed BOR sheet to the Committee Advancement Chairman of his successful advancement in rank. Then the scouts rank will be updated and documented.

Those scouts seeking advancement in rank to **Star or Life** the above rules apply with the following modification. **All** required merit badges must be completed by a registered MB counselor and recorded by advancement chairman. After completion the scout must get his advancement report and bring it to his scout master conference. The scout shall schedule the Board of Review after he completes his scoutmaster conference.\* He must contact Bob Holmgren, committee chairman who then will ask a min. of 3 committee members and not more than 6 to attend the BOR. This BOR can be before the monthly committee meeting or at the convenience of the scout and committee members.

\*These are BSA Advancement Committee policy and procedures page 29, 2008 Edition.

# **Troop 22 Committee**

- Mr. Patrick Capel - Committee Member 873-9591
