

To all, Scoutmasters, Assistant Scoutmasters, Eagle Mentors, Committee Chairs and Advancement Chairs,

I would like to alert everyone that between July 8 and August 8 I will be away. In fact **the whole Mattabesett Trail Advancement Committee** will be unavailable and on Staff at the National Jamboree in Virginia between July 17th and August 8th. There will be no one here to sign eagle project approvals and schedule Eagle Boards of review. Please plan accordingly so scouts that are turning 18 and going on to College won't be backed into a corner. Remember, many Colleges start the last week of August, so we have to plan ahead. If your scout is turning 18 while we are away we need his complete Eagle Workbook before we leave to avoid any problems. If you have any questions please get in contact with Jim, Jay or me.
